## Kingman Masonic Lodge No. 22

### From The East

WM Bob Weed

Brothers:

Thank you to Brother Wayne Wissinger for the excellent dinner the stated meeting dinner. Brother Wayne does this every year for his birthday celebration. We almost wish he had more birthdays!

We balloted on one candidate, Steve Roberts for the degrees. We also read three more petitions in Lodge. As a result, we are doing degrees gain. We need brothers to come out for our degrees and support our new brothers in their endeavors. Please plan to attend some of our degree nights and enjoy the fellowship of the Lodge. Brother Rocky Rolph is conferring the First Degree on September 17. This is going to be a great time.

Our Junior Warden's daughter, Serenity Sawyer is going to show her swine at the County Fair. She is also going to raffle of the one she raised for the Bikes for Books raffle. Come out to the Fair and support the kids in all of their various projects

Next month we are balloting on three petitions and I hope we will be reading an application for affiliation. The Lodge is busy this year and your participation is greatly appreciated . With your help, we will continue to do all of the necessary things and also the fun things.

If you have seen the downstairs hallway recently, you my have noticed the new lights. We replaced the old fluorescent fixtures with high efficiency LED lights. These are brighter and use less energy than the old ones. In my opinion the look better also.

Please call me if there is anything the Lodge can do for you.

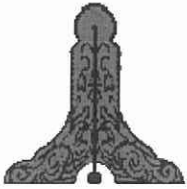

Bob Weed Master

## From The West

On the Level

Bro. John Hansen - Senior Warden

Brethren:

As Senior Warden, whose duty it is to “pay the craft their wages”, I would like to offer up October’s wage as a warm and sincere “Thank You” to all of the Brothers who attended and helped make our lodge meetings and events into the great successes they have been. It is a wonderful part of Freemasonry to have Brothers and their Families work and play together.

I would also like to offer a huge Thank You to Brother Wayne Wissinger, for the delicious meal of Chicken Asada and the amazing Brownies that he provided for our September Stated Meeting. Thank You Brother Wayne!

Sometimes we all benefit from more appreciation of the universality of the brotherly love which we share in our fraternity. In September, I had the pleasure of sitting in the Stedman Lodge AF & AM 720 in Stedman North Carolina. North Carolina has some significant differences in their ritual work than that of our Arizona jurisdiction. However, one thing that did not change was that I felt as welcome with my North Carolina Brother Masons as I feel in our own lodge.

Speaking as a person who has not been very diligent in visiting other lodges, each time I do, I gain a better, and more informed appreciation of the connection between every Mason. I would hope that each Brother in our lodge takes advantage of every opportunity to visit and share in the experience and enjoyment of being with Brother Masons.

I want to say “Thank You” to all of my Masonic Brothers who model their lives to exemplify these ideas and values and who give so freely of their time and love to help us all achieve a higher Masonic Plane.

On the Level

John Hansen

Bryan Sawyer - Junior Warden  
TWO PILLARS OF FREEMASONRY

Brethren,

As the Summer heat finally begins to fade away, it's nice to see Lodge activity ramping back up. Our September stated meeting and the conferral of a first degree the following week to our newest Brother, Steven Roberts, were both well attended. Congratulations Brother Roberts, may the teachings of Freemasonry serve as a rule and guide through your life as it has for so many of your new found brothers. I would also like to thank our brothers and extended family that continue to make our events such successful endeavors.

Our Stated meeting this Month will be on Monday, October 8th at 7:30PM. Please join us at 6:30PM for a lovely meal of pasta and all the fixings prepared by Brother Jed Holley and his wonderful wife. As always, dinner is \$8 and the fellowship remains priceless! I hope to see you there.

Wednesday, October 17th, the City of Kingman is hosting their 12 Annual Walk Away From Drugs event. This has been a great time for the Community Safety Identification Program. I would like to see us set up there once again this year. I have begun the footwork but I need a dozen volunteers to help make this event a success. Please, contact me at 530-640-2036.

Finally, Coffee and Donuts are served every Wednesday at the Kingman Lodge from 10AM to around noon. Please, stop by, say hi and enjoy a moment of fellowship.

By the Plumb,  
Bryan Sawyer, JW
